Welcome to Cornwall!

Kelly's of Cornwall can be enjoyed all over the county, but what better place to eat it than in the good food, dotted cream and sunshine and to celebrate we've created a very special map that highlights some of the best spots to enjoy one of our ice creams.

Kelly's Ice Cream has been producing Cornish Ice Cream for over 100 years. Only the finest dairy ingredients are used, including lashings of Cornish whole milk and Cornish clotted cream from local lush green pastures.

Here you'll find a list of Kelly's ice cream parlours and recommended picturesque locations including Cornish woodlands and beautiful beaches.

We'd like to thank our wonderful Facebook fans who helped us source some of the best Cornish spots included on this map.
